
Russia: Moscow to host diocesan youth meeting. Pimenova, “invitation to become youth ministry agents”

The Archdiocese of Moscow invites young people to the diocesan youth meeting on 16-18 July 2021. The event “is a milestone in the journey towards World Youth Day, from Panama 2019 to Lisbon 2023”, Oksana Pimenova (pictured) and Andrey Topytingli, two organisers of the meeting, explained today. The gathering “is part of a synodal process that encourages young people to become drivers of change and youth ministry agents”.
